

Fabrication Notes:

- 1) Fabricate to meet or exceed IPC 6011/6012 Class 2, as defined in IPC 2221
- 2) Substrate for core and prepreg is FR-4 TG130
- 3) Board finish is ENIG Gold Plate
- 4) Materials to meet UL 94 V-0 flammability specification
- 5) Minimum trace width 6 mil, minimum spacing 6 mil
- 6) Apply LPI soldermasker (black) on front and back side
- 7) Silkscreen on top and bottom side using (white) epoxy ink
- 8) All dimensions and hole sizes in mm except where noted
- 9) IF IN DOUBT – ASK

Designed by Ops
IF IN DOUBT – ASK
